3. Choose the Employee section

- i. You have to log in as an employee with your user name and password provided to you by the administrator.

The image shows a login form titled "EMPLOYEES LOGIN". It has two input fields: "Username:" and "Password:". Below the fields are two buttons: a green "LOGIN" button and a red "CANCEL" button. The form is centered on a grey background.

- ii. As the Employee of the farm you have to Provide the data of the work done that day

The screenshot shows the 'INPUT PROTOTYPE FORM' interface. At the top, a green header bar contains the text 'EMPLOYEE GREENHOUSE MANAGEMENT SYSTEM(DASHBOARD)' and 'DEAR MOKI THIS IS YOUR PORTAL' in yellow. A red 'LOGOUT' button is in the top right. On the left, a sidebar has two green buttons: 'Daily data Entry' and 'Profile'. The main content area is titled 'INPUT PROTOTYPE FORM' and contains three sections: 'DAILY ACTIVITIES' with a list of radio buttons (Fertilizer application, Pesticide application, Irrigation, Planting, Harvesting, Emergence), 'ACTIVITY DETAILS' with a text input field labeled 'Type of the activity in details', and 'CHALLENGES' with a text input field labeled 'Enter the challenges here' and a blue 'SUBMIT TO DB' button.

- iii. As the Employee you can also view your profile,

The screenshot shows the 'View Your profile' interface. It has the same green header bar and sidebar as the previous form. The main content area is titled 'View Your profile' and contains two sections: 'Employee Details' and 'Profile Image'. The 'Employee Details' section displays a table with employee information.

EMP_ID	First Name	Last Name	Mobile No	Email	Work Description
Emp3	Moki	wambua	706380946	moki@gmail.com	manager

The 'Profile Image' section shows a photo of a man holding a child.

4. Go to the Admin section

- i. You will have to login as the administrator with your user name and password.

- ii. Admin can add products for sale to the shop homepage.
- iii. Admin can view customer details to see orders and customer preferences
- iv. The admin can view the daily records as provided by the Employees.
- v. Admin Creates employee's accounts and he can also view employee records.
- vi. As the admin you also update the timers as per the work done by the employees.

The screenshot displays the 'ADMIN GREENHOUSE MANAGEMENT SYSTEM(DASHBOARD)' interface. At the top, a green header bar contains the text 'ADMIN GREENHOUSE MANAGEMENT SYSTEM(DASHBOARD)' and 'DEAR ELIJAH YOU ARE THE ADMIN' in yellow, with a red 'LOGOUT' button on the right. A left sidebar lists navigation options: 'Add Product', 'View Customer', 'View Daily Records', 'Update Employees', and 'Timers'. The main content area is titled 'Add Products For Customer To Choose' and contains a form with the following fields: a dropdown menu set to 'Grade2', a text input for 'Enter product name', a text area for 'Enter description of the product', a text input for 'Enter price', and a dropdown menu for 'Select quantity'. A green 'ADD PRODUCT' button is at the bottom of the form.

5. Education section

This section contains only basic education to the farmer on how to run the daily activities to get quality produce.

6. Greenhouse timers

Greenhouse timers reminds the farmer the time remaining to apply fertilizer or pesticide depending on the last time the farmer applied them.
